

53W DINO 2 FARM

SKU: 190798

International Code: FOB70900v1-pl

Features & Benefits

- One piece structural design in plastic extrusion profile with IP66 protection, MEGAMAN® DINO 2 offers intrinsically superior protection against water and dust than conventional T5 and T8 outdoor waterproof battens.
- Designed with a tough polycarbonate body with IK08 rating for vandal resistance
- Easy and flexible installation through sliding stainless steel clips. Enabling use of existing mounting holes to replace conventional light fittings
- High lumen output of up to 6500lm
- Cable entries and through wiring allow for linear series connection
- Theft Proof mounting accessory also available (LA8032)
- Additional Live [L1, (L2), E, N] allows for connection of emergency kit and sensor; and also enable for forming more than 1 group master/slave in PIR sensor module (LA11076), which operate independently in each group

Description

53W Dino 2 Farm 1572X62X56 4000K

Technical Specification

Colour Temp (K)	4000	IDC	11
Lumen	6500	Box qty	1/18
Beam Angle	160°	Class Type	Class II
