Hand drying in under 10 seconds.

3 blades of air strategically placed, with water collection as standard, as well as Microban antimicrobial technology.

The Luna 7 is available in Snow White and Silver Aluminium as standard and is fully compatible with ZeroGel – a neutralising gel pack that removes bad odours and leaves a pleasant fragrance in the washroom.

Microban antimicrobial protection is impregnated at the manufacturing stage to inhibit growth of bacteria, mould and mildew. Microban treated products are tested for their efficiency in accordance with internationally recognised standards.
