

Product Code: MAGPRO-MINI

Description: 1 Input Addressable Mini Module

General Information

Dimensions (mm)	43 x 25 (PCB)
Weight (Kg)	0.12
Warranty (Years)	3

Supply & Power

Supply Voltage (V AC)	240
Power Indicator	Green LED
Maximum Current Consumption	100 μ A @ 27Vdc
Permissible Voltage Ripple (pp)	3.0V (@27V DC)
Wiring Type	Analogue Addressable (MAGPRO)

Communication

Protocol Type	Custom (Closed)
---------------	-----------------

Environment

Relative Humidity Resistance (%)	93 (@40 °C)
----------------------------------	-------------

Compatible Products Compatible with MAGPRO16, MAGPRO16G, MAGPRO96 and MAGPRO96G

Standards BS EN 54-18
